

# The LIFE Center pivoted from our regular programming in March to respond rapidly to the COVID-19 emergency

12,000

meals distributed

42

parents could return to work in June because of our summer camp

26,000

pounds of groceries distributed

77

children get in-person instruction on remote learning days

\$32,000

secured to help our client families pay their rent and essentials

55

children get some sense of normalcy from attending fun outings

No celebration party for our 25th Anniversary (COVID – no gatherings)

100%

of the above families are in the Very Low Income group

## A Needs-Based Response to COVID-19
